

Apartments for sale in Panorama Prime Kestel Alanya Antalya Turkey

Kestel Alanya Antalya

36.5082797, 32.0791645

Start of construction: 03.2022.

House commissioning: 03.2024.

Our new modern luxury residential complex with magnificent views and luxurious infrastructure will be located in one of the best areas of Alanya, in the Kestel area. Due to the fact that the project is located on a hill, the windows of the apartments will offer a beautiful view of the Mediterranean Sea, Taurus Mountains and the ancient fortress of Alanya, the view of which is especially beautiful in the evening light. A beautiful sandy beach and a well-maintained promenade are just 700 meters from the residence. The place where the complex will be located is surrounded by greenery, with a mountain landscape, orange and banana groves, which will be appreciated by both lovers of quiet rest and those who prefer an active lifestyle.

Also, a big plus is the closed parking, which implies one parking space for each apartment.

The residence consists of four five-storey buildings (A block of 29 apartments, B-C block of 24 apartments, D block of 20 apartments), where there are two-, three- and four-room duplex apartments.

1 + 1; 60m²

2 + 1; 100m²

2 + 1 penthouse; 135m²

3 + 1 penthouse; 210m²

The complex has a fenced secured area, an indoor pool, a large outdoor infinity pool throughout the entire territory, a garden with flowers, palm trees and ornamental plants, a playground, a fitness room, a tennis court and much more. There will also be a restaurant and a cinema on the territory of the

complex.

Maintenance of the territory of the complex will be carried out by the house manager.

The unique location combined with the first-class quality of construction, modern design and professional management will provide you with a comfortable lifestyle and guarantee the security of your investment.

In the construction of the complex, only certified materials were used that meet international quality standards.
