R O S K O S H N Y Y PROJECT high quality construction.

Our project is one of the highest quality construction projects located in the heart of Alanya. The residence consists of 2 blocks with a height of 10 floors. The total number of apartments is 34, as well as 2 commercial units. The project includes layouts: 2 + 1 with a total area of 118 sqm and 3 + 1 with a total area of 160 sqm, as well as the complex offers penthouses with a total area of 427 sqm on the upper floors of each block. Features of the complex:

Our complex is a family concept project, with a secured closed area, a playground, a recreation area, a fitness room and an underground parking lot. The project provides a safe environment that you can call your new home. Each apartment has its own parking space in the late parking lot, from which there is access to the elevators for each block. High Speed Internet / Satellite TV / Architectural Facade Lighting & Landscape Lighting / Generator
