CITY 10

Construction of the project will begin in April 2021 with completion scheduled for February 2022.

An elite residential complex is located in the center of Alanya, on the side of Keykubat beach. A prestigious area with high housing liquidity and a constant demand for rent. The new and modern complex CITY 10 is located next to a picturesque waterfront with good cafes and restaurants, as well as surrounded by other objects of trade and service infrastructure

The total area of the residential complex is 800 sq.m. with a total number of apartments – 26, of which 11 are vacant: 8 apartments 1 + 1, 4 of which are 58 m² and 4 of them are 40 m²; 2 duplexes 2 + 1 115 m²; 1 duplex 3 + 1 135 m².

The project takes part in the renovation program, therefore the state controls the high level of quality of building materials, work performed and deadlines.

The CITY 10 complex uses the technology developed by our company, with a high level of sound and heat insulation, high-quality Grohe and Bocchi sanitary ware in the bathrooms, at the same time we use the best laminate flooring and the complex will be equipped with an air conditioning system. CITY 10 has an outdoor swimming pool, playground and barbecue area. Inside there is its own fitness center, sauna and relaxation room, 2 lifts and a generator.
