Kargicak Alanya Antalya

36.455694, 32.1368449

PROJECT START – June 2021

END OF CONSTRUCTION – December 2022

Among the lemon and avocado orchards, in the ecologically clean area of Alanya – Kargicak, the construction of a new prestigious residential complex begins.

The new and striking project of our company will be distinguished by modern architecture, concisely and topically inscribed in the overall landscape, as well as undoubtedly high quality construction and rich internal infrastructure.

The project will combine all the latest technologies in construction, the comfort of a five–star hotel and the naturalness of the most ecologically clean and picturesque protected area of Alanya.

And all this is 300 meters from the sea!

Feel the harmony of life and the unique comfort of living on the Mediterranean coast with us!

The complex will be built surrounded by gardens in a very picturesque location. But at the same time, not far from the developed infrastructure of the Kargicak and Mahmutlar regions.

Shops, a school, a pharmacy, a farmer's market, public transport stops – everything will be within walking distance.

Distance:

from the sea 300 m

to the center of Alanya 15 km

to the airport in Gazipasa 25 km

to Antalya 130 km

The YAPARLI TWINS residential complex will consist of two residential blocks.

The 7–storey block "A" will house

15 apartments with a layout of 1 + 1 (56.4 sq.m. and 51.4 sq.m.)

5 Penthouses with 2 + 1 layout (132.9 sq.m. and 102.9 sq.m.)

as well as 3 commercial premises on the first two floors (shops).

The 6-storey block "B" will house
