Avsalar Alanya Antalya

36.455694, 32.1368449

The investment project is located in the city of Alanya in the Avsallar region, near the most famous beach, Incekum. It attracts attention with its varied design and architectural structure.

Avsallar is one of the most ecologically clean areas, where our cozy complex is located, surrounded by pine trees and a wonderful sea view .

The complex is located in an area of 7,600 m² and will consist of one residential block, 8 floors, the total number of apartments is 91.

There are apartments to choose from

1 + 1 59 m²

2 + 1 apartments 83m²

3 + 1 spacious duplexes 112m²

All apartments are rented with high-quality finishing, plumbing fixtures, kitchen sets.

The infrastructure of the complex will include an outdoor and indoor pool, a water park, a spa center, a jacuzzi, a sauna, a steam room, a relaxation room, a fitness center, a cinema, a cafe-bar, a tennis court, a basketball and volleyball court, a children's playground, a playroom, 7/24 security, security cameras, parking, generator and free internet.

These are good investment prospects in the Avsallar area. The apartment can be used for your own holiday, and it is also a great option for long-term or short-term rental.

The territory will be decorated with decorative green spaces and a well-tended garden.
