DESCRIPTION OF THE SONAS BUKET PROJECT

START OF CONSTRUCTION: 12/20/2021

END OF CONSTRUCTION: 06/01/2023

The modern residential complex is conveniently located in the central part of the popular resort area of Alanya, Mahmutlar. A beautiful sandy beach and a well-maintained promenade are just 120 meters from the residence. The size of the land plot on which the complex will be built is 1580 m².

Developed infrastructure, close proximity to various cultural and domestic facilities, green surroundings with a mountain landscape, orange and banana groves will be appreciated by both lovers of quiet rest and those who prefer an active lifestyle.

The residence consists of one twelve-storey building, where there are two-, three-room apartments (on each floor) with an area of 60m², 90m², 125m² and penthouses (2 + 1 145 m², 3 + 1 with a studio floor below 225 m² and 215 m²). You can choose the most suitable apartment layout from the options offered.

The complex has a fenced guarded area, an open swimming pool with a children's section, a garden with flowers, palm trees and ornamental plants, a playground, a fitness room and much more.

Maintenance of the territory of the complex will be carried out by the house manager.

The unique location combined with high quality construction, modern design and professional management will provide you with a comfortable lifestyle and guarantee the security of your investment. In the construction of the complex, only certified materials were used that meet international quality standards.
