

# Alarahan Hill

Oba Alanya

36.5323918, 32.0388991

The Oba district is characterized by low buildings.

Now the upper part of the district, which is closer to the mountains, is being actively built up.

Soon, the city administration will be transferred to this part of the city, in addition, many Shopping Centers are being built along the bypass road, which will give its development to this part of the city.

Also in the Oba area there are many shops, restaurants, ATMs, Alanium shopping center, etc.

A new complex to be built on a private fenced area: 1 block, 5 floors, 8 apartments in total.

To the sea 1.3 km, within walking distance from the house shops, bus stops and other necessary urban infrastructure.
